These are the only types of flea prevention from your veterinarian that we will accept. Any other type will not be recognized. Harmony Pet Care maintains the highest standards of cleanliness and will not be held responsible for any parasite problem that may arise because of prior improper flea prevention.

Date given: _____ (this must be given at least 24hrs. prior to arrival)

Declining preventative: It has been explained to me that my pet _____ is not protected from fleas/parasites and I decline the prevention offered. I understand that although Harmony Pet Care maintains the highest standards of cleanliness my pet may be at risk. I will not hold Harmony Pet Care liable for any parasite problem that may arise.
